Anna's Gift Gallery

Celtic Heritage Ceramics Catalogue

We have the pleasure of presenting our current catalogue of ceramic products under our **celticheritage.ie** brand. In it you will find a selection of various maritime motifs and styles, all inspired by the Irish oceanside. Our gifts come in a variety of shapes and sizes, from large freestanding figures to fridge magnets. Aside from fish and other ocean fauna, we offer a new selection of animals and angels, also in various shapes, which make perfect souvenirs or gifts for any occasion. The catalogue contains a selection of items which have already been tested on the market at our Kinsale gift shop, ensuring that you order only definite bestsellers, maximising sales. We encourage you to explore our offer and contact us with any inquiries.
